## Scholarship and Freeship Award Policy at RBVRR Women's College of Pharmacy

### Introduction:

RBVRR Women's College of Pharmacy, affiliated with Osmania University and regulated by AICTE and the Pharmacy Council of India, is committed to supporting its students through financial aid. This policy outlines the criteria and procedures for the award of scholarships and freeships to eligible students.

**Objective** To provide financial assistance to deserving students who demonstrate academic excellence and financial need, thereby promoting their continued education and progression.

### Eligibility Criteria

1. The student must be enrolled in a full-time program at RBVRRWCP.
2. The student must have a consistent academic record with a minimum of 75% attendance.
3. The student's family income should fall below the threshold set by the scholarship or freeship criteria.
4. The student must not be receiving any other concurrent scholarship or financial aid.

### Types of Financial Aid

1. **Institutional Scholarships:** Funded by RBVRRWCP for students who excel academically and demonstrate financial need.
2. **Government Scholarships:** Available to students who meet the criteria set by various government bodies.
3. **Non-Government Scholarships:** Provided by industries, philanthropists, and non-profit organizations to support students in specific fields or from certain backgrounds.
4. **Freeships:** Full or partial tuition fee waivers granted to students based on merit and/or economic background.

### Application Process

1. Students must apply for scholarships and freeships through the prescribed application form available at the college office or website.
2. Required documentation, including income certificates and academic records, must be submitted along with the application.
3. The deadline for application submission will be announced at the beginning of each academic year.

## Selection Process

1. A committee comprising faculty members and administrative staff will review applications.
2. Selection will be based on the fulfilment of eligibility criteria and the availability of funds.
3. Priority will be given to students with the highest need and academic merit.

## Disbursement

1. Scholarship and freship amounts will be credited directly to the student's account or adjusted against their tuition fees.
2. Disbursement will occur after the verification of all documents and the finalization of the selection process.

## Monitoring and Review

1. The scholarship committee will monitor the academic performance and attendance of scholarship recipients.
2. The policy will be reviewed annually to ensure its effectiveness and alignment with the college's objectives.

## Transparency and Reporting

1. The college will maintain a transparent record of all scholarships and freships awarded.
2. An annual report detailing the percentage of students benefited will be published on the college website.

This policy will be customized to fit the specific needs and resources of RBVRR Women's College of Pharmacy from time to time. The institution will ensure that the policy is aligned with the current regulations of Osmania University, AICTE, and the Pharmacy Council of India. It is crucial to review and update the policy periodically to accommodate any changes in these regulations or the availability of financial resources.
