Report:

RBVRR Women's College of Pharmacy conducted coaching classes for competitive exams for final year B. Pharm students. The classes are specially designed for B Pharm IV year with the aim of providing the concepts of the subjects and tips for the preparation for NIPER, GPAT and PGCET.

Outcomes:

- To perform well in competitive examination to get good ranks.
- To prepare the students in acquiring the skills to qualify the exam.
- To orient the students in their preparation as per type of competitive exam.

The crash course is especially designed for the students who are going to be enrolled in the NIPER/GPAT/PGCET competitive exam.

The training session includes the modules on

- Entire syllabus of the competitive exams
- Mock tests for students covering individual subjects and all subjects along with regular schedule of classes

Students expressed their satisfaction and expressed need of more such programs. About 65 students participated in the training session.

Report:

On 12th December 2018, RBVRR Women's College of Pharmacy organized a seminar focusing on "Job and Career Opportunities in the Pharmaceutical Sector." The seminar aimed to enlighten students about the diverse career paths available in the pharmaceutical industry. Dr. G. Girija Shankar, a respected Professor from A.U. College of Pharmaceutical Sciences, Andhra University, was the guest speaker for the event. Dr. Girija Shankar emphasized the importance of continuous learning and skill development for pharmacists aspiring to excel in the pharmaceutical sector. He encouraged students to pursue higher education, certifications, and training programs to enhance their knowledge and skills. The seminar on "Job and Career Opportunities in the Pharmaceutical Sector" by Dr. G. Girija Shankar provided valuable insights into the diverse career paths available for pharmacists within the industry. It equipped students with the knowledge and awareness necessary to explore various roles and opportunities in pharmaceutical research, development, manufacturing, and regulation. Such seminars play a crucial role in guiding students towards fulfilling and rewarding careers in the pharmaceutical sector.
