## Report:

RBVRR Women's College of Pharmacy conducted coaching classes for competitive exams for final year B. Pharm students. The classes are specially designed for B Pharm IV year with the aim of providing the concepts of the subjects and tips for the preparation for NIPER, GPAT and PGECET. Due to pandemic COVID -19 online classes and exams were conducted for students.

Outcomes:

- To perform well in competitive examination to get good ranks.
- To prepare the students in acquiring the skills to qualify the exam.
- To orient the students in their preparation as per type of competitive exam.

The crash course is especially designed for the students who are going to be enrolled in the NIPER/GPAT/PGECET competitive exam.

The training session includes the modules on

- Entire syllabus of the competitive exams
- Mock tests for students covering individual subjects and all subjects along with regular schedule of classes

Students expressed their satisfaction and expressed need of more such programs.

## Carrer Opportunities

### CIRCULAR

This is to inform all students that an online session on "Career opportunities in India and Abroad" by Ramakrishna Sistla, Senior Scientist, IICT will be held on 3<sup>rd</sup> Jan 2022, at 11:00AM at Seminar Hall. Hence all the students are hereby informed to attend the guest lecture and utilise the opportunity without fail.

#### Report:

Topic: Career opportunities in India and Abroad

Date: 3<sup>rd</sup> Jan 2022

Time: 11: 00 am

Speaker: Ramakrishna Sistla, Senior Scientist, IICT President Common wealth association

This session aimed to shed light on various career prospects in both India and abroad, particularly in the field of scientific research and possibly other related sectors. Students got insights into career pathways within the realm of chemical technology, research, and development. Some of the important highlights which were discussed in the session includes:

1. Research and development: Opportunities in conducting research in various fields such as chemistry, biology, physics, engineering, and materials science. This could include roles in academia, government laboratories, or private industry.
2. Academia: Career paths within academia, including becoming a professor, lecturer, or researcher at universities and research institutions. Insights into pursuing higher education, obtaining research grants, and publishing scientific papers.
3. Industry: Opportunities in the chemical, pharmaceutical, biotechnology, and other related industries. This might involve roles in product development, process optimization, quality control, regulatory affairs, and project management.
4. Entrepreneurship: Guidance on starting and managing a scientific or technology-based business, including accessing funding, intellectual property considerations, market analysis, and navigating regulatory requirements.
5. Global opportunities: Discussion on career opportunities available internationally, including pursuing postdoctoral research positions, working in multinational corporations, or collaborating with foreign universities and research institutes

## REPORT:

On 26th August 2021, RBVRR Women's College of Pharmacy hosted an event in association with Clini India focusing on the "Importance of Profession Ready Training and Placements." The event aimed to enlighten students about the significance of being prepared for the professional world and how training and placement programs can bridge the gap between academia and industry.

The event underscored several key reasons why profession-ready training and placements are crucial for students:

1. Enhanced Employability: Industry-specific training equips students with the skills and knowledge required by employers, making them more attractive candidates for job opportunities.
2. Smooth Transition to work place: Practical training programs prepare students for the challenges of the professional world, ensuring a smoother transition from academia to industry.
3. Networking Opportunities: Events like these provide students with opportunities to network with professionals and potential employers, expanding their professional contacts.
4. Career Guidance: Through interactions with industry experts, students gain valuable insights into different career paths and make informed decisions about their future.

The event on the "Importance of Profession Ready Training and Placements" organized by Clini India at RBVRR Women's College of Pharmacy was a resounding success. It equipped students with the necessary skills, knowledge, and confidence to embark on their professional journey in the pharmaceutical industry.
