## About the College

The College was established in the year 2006 by the "Hyderabad Mahila Vidya Sangham" to provide education to girl students. The college is self-financed, approved by PCI, AICTE and affiliated to Osmania University. The College is organizing seminars, guest lectures and workshops in various disciplines which is a continuous process to impart knowledge and skills necessary for Pharmaceutical Education, Research and Development.

## Vision

To be a National Women Pharmacy Professional leader in transforming lives through innovative, vigorous and compassionate approach to Pharma education.

## Mission

RBVRRWCP preparing and empowering girl students by providing continuous awareness programmes to succeed in changing world apart from regular curriculum

## About the FDP

FDP is a skill development program specially designed for academic educators and intends to provide opportunities for induction training to teachers.

### Our Objectives:

- ❖ To make them aware about modern teaching tools and technologies.
- ❖ To acquire knowledge about current technological development in nanomedicine, alternate to animal models and total quality management of Pharmaceutical product.

It will not only promote the professional practices but also motivate the faculty to achieve competitive teaching and learning environment and personality development.
