About IPA

The Indian Pharmaceutical Association (IPA) founded in 1939, is the oldest premier association of pharmaceutical professionals in India. IPA operates in India through 20 state branches and 46 local branches. As a member of the Drug Technical Advisory Board, India, IPA is actively involved in advising the government on matters of professional importance. IPA is affiliated with international pharma associations like FIP, FAPA, CPA, AAPS, and is working with international bodies such as WHO and WHPA for carrying out various collaborative professional activities, organizing training programmes for professionals. IPA's major objective is to position pharmacists as one of the important healthcare providers in our country.

About National Pharmacy week

National Pharmacy Week, usually celebrating in the whole third week of November every year, which acknowledges the invaluable contributions that pharmacists and technicians do for patient care in hospitals, outpatient clinics, and other healthcare sectors. It is an ideal time for the pharmacy team to celebrate its work to ensure that medication use is safe and effective and to share those accomplishments with patients, other health professionals, and the community.
