About the College

The College was established in the year 2006 by the "Hyderabad Mahila Vidya Sangham" to provide education to girl students. The college is self-financed, approved by PCI and affiliated to Osmania University. The College is organizing seminars, guest lectures and workshops in various disciplines which is a continuous process of RBVRR Women's College of Pharmacy, to impart knowledge and skills necessary for Pharmaceutical Education, Research and Development.

VISION

To be a National Women Pharmacy Professional leader in transforming lives through innovative, vigorous and compassionate approach to Pharma education.

MISSION

RBVRRWCP preparing and empowering girl students by providing continuous awareness programmes to succeed in changing world apart from regular curriculum.

About the Conference

The National conference on "Strategic Approaches to Regulatory Compliance in Product Development" aims to disseminate knowledge and best practices, enhance compliance strategies, build organizational capacity, and facilitate industry collaboration. The conference offers participants with the tools and insights needed to strengthen their understanding of regulatory compliance which improves product quality, safety, and enhance brand reputation. It also expand market access which demonstrates their commitment to customer safety, quality, and innovation.
