About RBVRR Women's College of Pharmacy

RBVRR Women's College of Pharmacy, established in 2006 under the Hyderabad Mahila Vidhya Sangam, is driven by the visionary leadership of its Founder Principal, Prof. M. Sumakanth. The college is dedicated to empowering girl students through education and offers spacious classrooms, state-of-the-art laboratories, a well-equipped seminar hall, a conference room, and a library stocked with a wide range of the latest textbooks, reference materials and digital library.

The college is offering the following programmes:

B. Pharmacy

Pharm. D

M.Pharmacy(Pharmaceutics,Pharm.Analysis and Pharmacology).

VISION

To be a National Women Pharmacy Professional leader in transforming lives through innovative, vigorous and compassionate approach to Pharma education.

MISSION

RBVRRWCP preparing and empowering girl students by providing continuous awareness programmes to succeed in changing world apart from regular curriculum.

About the Faculty Development Programme

The integration of Artificial Intelligence (AI) in education is revolutionizing the way teaching and learning are approached in the 21st century. To equip faculty members with the necessary knowledge and hands-on experience in this rapidly evolving domain, this Faculty Development Programme (FDP) focuses on the theme:

"AI in Teaching and Learning Process"

This FDP aims to explore the transformative role of AI in enhancing pedagogy, personalizing learning experiences, automating assessments, and facilitating intelligent content delivery. With the growing relevance of AI tools in higher education, this programme provides a platform for educators to gain exposure to AI-based teaching aids, virtual learning environments, and data-driven instructional strategies.

Objectives

- To introduce faculty to the fundamentals of Artificial Intelligence in education.
- To familiarize participants with AI-powered tools for content creation, student engagement, and academic assessment.
- To demonstrate practical applications of AI in classroom teaching and digital learning platforms.
- To encourage innovation in instructional design.
- To foster a future-ready teaching workforce that embraces digital transformation.

Key Highlights

- Expert sessions by academicians and industry professionals in AI and EdTech.
- Demonstrations of AI tools for curriculum enrichment and student support.
- Hands-on training and case studies on implementing AI in real-time teaching scenarios.
- Interactive discussions on ethical considerations and challenges of AI in education.
- Opportunities for interdisciplinary collaboration and research in AI-based pedagogy.

Target participants

- Faculty members from all disciplines,
- Research scholars involved in teaching,
- Academic administrators, and EdTech enthusiasts
  who wish to adopt AI in their teaching practices.
